H1N1

## Athletic Trainer Kit Includes:

### BioShield® 75

(6) 32 oz. Bottles

- Easy application to any surface or athletic equipment
- One application lasts for **up to 90 days**.
- Inhibits the growth of bacteria, mold and fungi 24/7.

### GreenKleen 420

(12) 32 oz. Bottles

**Ready-to-use** spray and wipe cleaner. Instantly removes dirt, built-up grime and greasy smudges from washable surfaces. Our number one cleanser for wrestling mats and hard to clean surfaces. Specially formulated to work in synergy with BioShield® 75.

One kit can treat surfaces in a training room for up to 90 days.  
Coverage likely to vary depending on surfaces and amount of surface area treated.

all for **\$259.95**
